

PROFESSIONAL SUMMARY

As a French-Lebanese citizen passionate about finance, technology, and travel, I thrive at the intersection of adaptability, innovation, and strategic thinking. Frequent relocations, cultural interactions, and extensive travel have sharpened my ability to adapt, build meaningful relationships, and excel in international settings. My outgoing personality and networking skills enable me to create lasting connections, making me an asset in global finance and international relations. I bring a problem-solving mindset, a passion for collaboration, and a drive to learn from industry leaders while contributing my skills and network to organizational growth.

| Kids Animator | JULY. 2023– AUGUST. 2023 |
|               | JULY. 2024– AUGUST. 2024 |

Managing groups of children in a dynamic environment taught me responsibility, problem-solving, and organization under pressure. Planning activities while ensuring safety strengthened my ability to manage logistics and anticipate challenges. Collaborating with fellow animators emphasized teamwork, while engaging with children enhanced my emotional intelligence and ability to connect with diverse individuals. These experiences translate well to managing teams and planning projects in professional settings.
