PROFESSIONAL SUMMARY

As a French-Lebanese citizen passionate about finance, technology, and travel, I thrive at the intersection of adaptability, teamwork and strategic thinking. Frequent relocations, cultural interactions, and extensive travel have sharpened my ability to adapt, build meaningful relationships, and excel in international settings. My outgoing personality and networking skills enable me to create lasting connections, making me an asset in global finance and international relations. I bring a problem-solving mindset, a passion for collaboration, and a drive to learn from industry leaders while contributing my skills and network to organizational growth.

EDUCATION

UNIVERSITÉ SAINT-JOSEPH

Bachelor's degree in business administration & management

BEIRUT, LEBANON

SEPT. 2023–JUNE. 2026

PROFESSIONAL EXPERIENCE

AZADEA GROUP

Intern- Financial Planning & Analysis Department

BEIRUT, LEBANON

AUGUST. 2025–AUGUST. 2025

Engaged with financial processes, observed industry's best practices, and connected with experienced professionals. Leveraged this opportunity to deepen my understanding of financial workflows and refine my analytical skills.

Led training sessions to enhance team autonomy and collaborated with various departments, including FP&A, accounting, and HR, on prompt engineering and AI agents and tools to use in for their tasks.

LEROY MERLIN

Intern- Financial Planning & Analysis Department

LILLE, FRANCE

JUNE. 2025–AUGUST. 2025

Joined the FP&A department, where I was quickly trusted and appreciated for my adaptability and proactive mindset. Contributed to the creation of financial reports and analytical tools supporting decision-making and strategic recommendations. Became proficient in Google Workspace tools and successfully. Automated recurring tasks using prompt engineering. Led training sessions to enhance team autonomy and collaborated with various departments, including FP&A, accounting, and performance, on prompt engineering and AI integrations in their workflows.
